The image is a collage of photographs. The central focus is a large, bold, white text overlay that reads 'THE VENUE'. This text is set against a dark, nighttime photograph of a building's exterior. The building has a brick facade and large windows. A black sign with white text and a stylized figure is mounted on the wall. In the foreground, there are several large potted plants on a dark surface. To the right, a wooden sign with the words 'EXHIBITION.' and an arrow points left. On the far left, there's a close-up of a textured wall with a circular emblem. The overall composition is a mix of architectural elements and natural textures.

THE VENUE

EXHIBITION. ←
